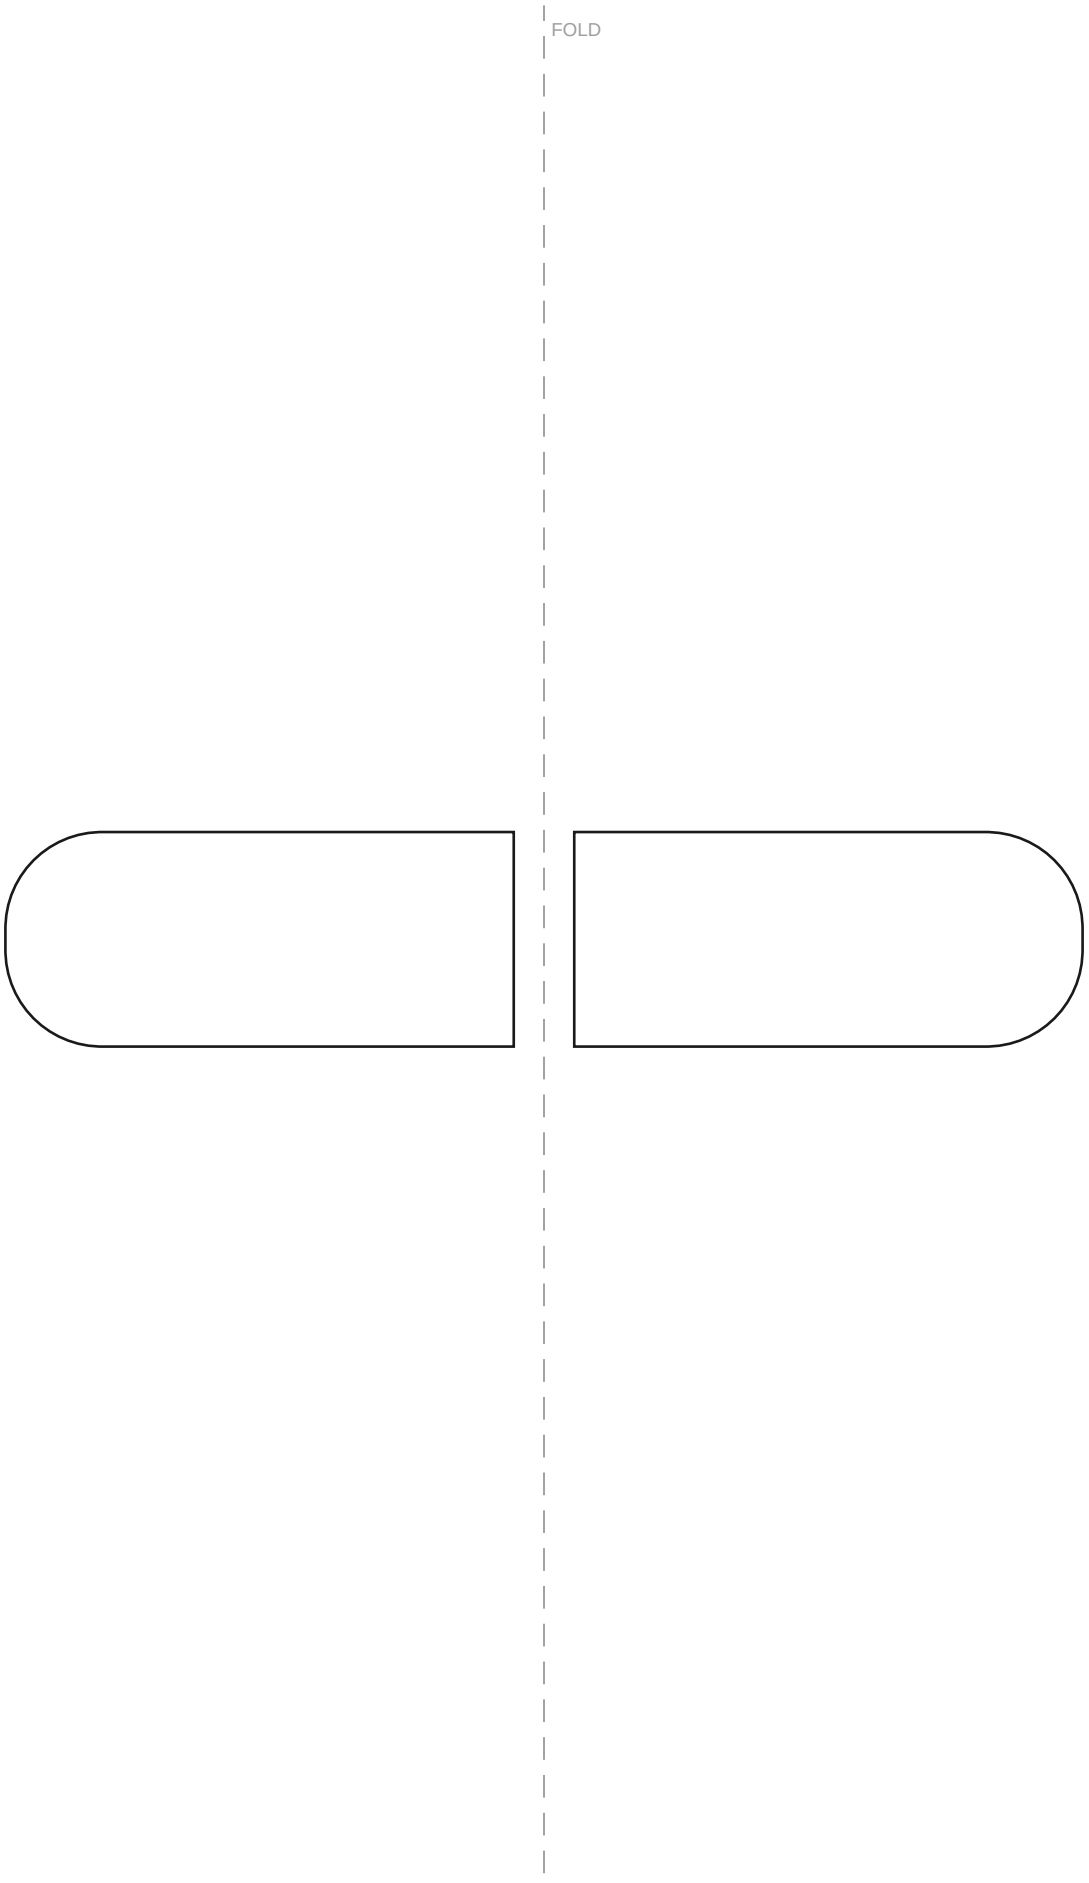
OpenTac-CAD Velostat fold template

Piece 67.2 x 28.4 mm | 1:1 - print at 100% (Actual size) | sheet: A4 portrait

Fold along the dashed line, printed side out, with the Velostat inside. Both outlines line up; cut through paper and film together.



Scale check: this line must measure exactly 100 mm. If it does not, reprint at 100% / Actual size.
